1. ADDENDUM TERMS AND CONDITIONS:

1.1. This Tools and Small Goods Addendum (Addendum) must accompany an Emergency Vehicle Limited Warranty Agreement (Agreement) and CANNOT be purchased as stand-alone coverage.

1.2. The Addendum coverage will run concurrent with, and expire at the same time as, the expiration of the customer's existing Agreement. This Addendum is NOT transferable.

1.3. If terminated, reimbursement is not available. If the customer decides to terminate the corresponding Agreement, this Addendum will also be terminated.

1.4. This Addendum provides coverage for the approved items to be repaired or replaced up to the combined Aggregate Limit of Liability for this Addendum listed below. Replacement value is calculated based on the lesser value of the two inclusive of any discounts and exclusive of sales tax: Original purchase price (validated by the original purchased receipt submitted at time of (approval) or Current market replacement price. Receipts and/or additional pricing documentation may be required. ONE replacement per covered item during the term of the corresponding Agreement.

1.5. The Limit of Liability of this Addendum is separate from the Agreement and is not counted toward the Agreement Total Aggregate Limit of Liability for the vehicle listed in section C. of the Agreement.

1.6. To qualify for coverage, all Tools and Small Goods must have been purchased within the past 4 years.

1.7. The Tools and Small Goods Item Coverage Request Form(s) along with the corresponding item receipts must be submitted for approval with the purchase and submission of this Addendum. Receipts must include place of purchase, purchase date, item information, and purchase amount.

1.8. Logs or receipts that are handwritten and CANNOT be verified by the service facility or retailer are NOT accepted.

1.9. The items covered by this addendum must be maintained according to OEM specifications and National Fire Protection Association (NFPA) standards.

1.10. This Addendum declares abuse, road hazard, fire, loss, and wreck damage are not covered. Progressive damage due to these components' failure is not covered. Replacement due to items being placed out of service or life expectancy expiration is not covered. Maintenance services and items including but not limited to cleanings, fluids, filter(s), bar, chain, blade, AED pad(s), and batteries are not covered.

1.11. This Addendum affirms all other Terms and Conditions remain as listed in the Agreement purchased for this vehicle (see Agreement for details).

1.12. ADDENDUM CLAIMS PROCEDURE: See corresponding Agreement section H. for Claims Procedure requirements and guidelines. It is imperative to follow these guidelines if an associated repair is to be covered by your Agreement or this Addendum.

1.12.1. Please call TrüNorth GlobalTM Claims immediately at 800-903-7489 ext. 820 - 24 hours a day/7 days a week or email: claims@trunorthwarranty.com. Customer must have services completed by an OEM dealership or licensed service facility.

1.12.2. The following exception to this Addendum Claims Procedure applies: exemption of ECM Fault code report.

1.12.3. Exceptions for reimbursement consideration may apply for items exclusively listed in this Addendum. For consideration the customer must provide: Invoice including detailed tech notes, date of repair, Serial Number, hour reading (if applicable), and parts & labor warranty terms; payment receipt; and photo(s) of failed components.

1.12.4. Claim reimbursement request(s) and ALL required documents listed in 1.12.3 must be submitted within thirty (30) days of the service invoice date.

1.12.5. Failure to submit all required information in accordance with the terms of this Addendum may result in non-coverage.

1.12.6. TrüNorth GlobalTM is solely responsible for the final decision regarding initial cause of failure and coverage reimbursement.

1.12.7. ALL reimbursement payments will ONLY be made payable to the warranty holder and sent via USPS/First Class Mail.
